Thank you for your patience Claude. The Department of Education will not consent to restoring the Nobile matter to the trial calendar.

Karen:

As I believe you are aware, Philip Nobile executed a stipulation of settlement of his 3020-a but Christopher Callagy informed your office prior to the stipulation being fully executed that Mr. Nobile rescinded his agreement to the stipulation. Chris has asked that the Nobile case be returned to the schedule of cases to be heard and Jordana Shenkman advised him that she would get back to him with DOE's position.

Would you please advise me whether your office will consent to restoring the Nobile case to the calendar to be heard before Arbitrator Mary O'Connell.

Please advise. Thanks, Claude
