Subject: Re: Refund

Dear Ms. Weingarten:

I sent you one recording of Betsy and I. In a few conversations that I had with Ms. Combier, she made reference to having your personal cellphone and spoke to her about the topic of "you calling her homophobic." If you do not have it, I will send it again. I sent the same recording to Mr. Portelos.

However, the main issue with Ms. Combier is the fact that Ms. Combier told me, she has a special relationship with Ms. Jackson-Chase because of her business, like the opportunity that she gave to my friend Joan Klingsberg and Ms. Edelman wrote an article about. According to Ms. Combier, she will stop at nothing to get even with people that affect her business.

It was premature to speak about the special relationship, but Ms. Combier has done things and lied, which are not the reality of what I had recorded. In addition, I do not know how Ms. Combier fits into everything because we spoke about Ms. Jackson-Chase and the Uft's calls to Perb. I just have what Ms. Combier said.

Other topics with Ms. Combier

1- impede Callahan's lawsuit with the Uft because she's done it before

Dear Evil Combier:

Don't have people harass me and tell people that they are going to post what I wrote to you.

I want to press play and I want to show the world that you lack credibility, ethics, and integrity. You helped me by contradicting what you said to me (audio recording lol), and then LIED in your emails and in your blog -- that's call libel and you know it too. As I recorded, YOU, Betsy Combier, are aware of how malice statements could affect people's employment because I recorded you. I could prove your intent by using what I recorded you saying to me

What you had Laurie do to me today is exactly the type of bullying that you posted about in your blog. Therefore, you are aware of your actions and those of the people you had harass me on your behalf.

If you don't like me referring to you as a "fucking evil cunt", please file a lawsuit or go to the cops. Once you do your part, I will my part by pressing play for the cops or the judge.

I have a secret recording that WILL put you to shame.... That's what I really want people to hear

You said that you'd sue me..., go ahead! I want you to sue, evil Combier! I want to press play for the judge, please sue me!!

Again, this is part of what you wrote about in your blog ... "Bulling and the mafia"

Please, do not tell people that I call all women "cunts" but I did called you, Betsy Combier, an evil cunt-- tell your friends that I am thankful for their harassment on your behalf. They are not the same statement but you're a liar, vicious, mean, evil, bitter old woman that creates stories to make herself look good

Dear Evil Ms. Combier;

Laurie carried out her threat against me! She presented that I hated women like she wrote to me....

I even have serval different privates messages where she tells people my name- I promised not to name them. I love my mother, my aunts, my female cousins and female friends, and I will never use the word cunt to describe an honorable lady. HOWEVER, you are not an honorable lady because you're an evil cunt. Yet, my mother and aunts maybe uneducated, but they are not in anyway a bitch, cunt or evil, like yourself. You are an educated woman, but YOU, Betsy Combier, are an evil cunt.

Unlike like you, I was honest when a few people asked me about Laurie's post-I will go to my grave with integrity, but I hope my recordings of you will ruin yours. Calling you a fucking evil cunt is not the same as hating women. I have you stating your knowledge of libelous statements and the emails

I don't even hate you, but I do dislike liars like yourself. Grow up and now I truly have the evidence that shows that you're a bully and the mafia (as you wrote in your post) -dumb ass

Please sue me because I want the judge to hear the legal advice that you gave me. In addition, please stop having people harass me..... That is all documented too

It is funny that you did not tell anyone how you disturbed Mavis Shien as her mother passed away. I am glad that I recorded you being a liar and a I still have that one recording that will put you to shame...I haven't told anyone what it is about
