Con Man and Snake Oil Salesman Ed Fagan Sells His Services to the Teachers in the New York City Rubber Rooms by Betsy Combier

New York City teachers confined to 'rubber rooms' in New York City hire scoundrel Ed Fagan to represent them in Federal Court. Mr. Fagan Is about to be disbarred in New Jersey, Is bankrupt with \$13.6 million in outstanding debts and in bankruptcy , and joined his ex-wife in a lawsuit against his ex-wife's partner, Margie, and Margie's parents, grandparents, etc., for \$20 million. Full disclosure: his first and probably most famous client was holocaust victim Gizella Weisshaus, my friend for more than 10 years.

from the desk of Betsy Combler: When I first heard at the end of January 2008 that lawsult was being filed in federal court protest of civil, due process, and constitutional rights violations of the teachers and other educational professionals confined 10

assignment centers in New York City nicknamed "rubber rooms" (because of the effects upon the minds of the tenured people who are innocent of anything, falsely accused by DOE personnel and/or the Special Investigator, and told to appear daily in windowless rooms located throughout the New York City; see <u>"rubber room report"</u> and <u>"rubber room news"</u> for the two blogs with the latest and most comprehensive information on this phenomenon) I was stunned to hear that a man named Ed Fagan was their attorney. One of the finest and most honest people I have ever met, Gizella Weissnaus, was a victim of Ed Fagan in 1998. Gizella's entire family was killed during World War II in the holocaust, and she is now 78 years of age and an activist. In her father's memory she wants to get back the money he put into a swiss bank account before he was killed. Ed Fagan became her attorney, then proceeded to steal her money, destroy her case in court, (see fax pages 1-7 and page 8, which Fagan sent to Gizella Weisshaus on February 18, 1998 - yellow marked passages are added by Gizella) and used a picture of her with her dead family to raise money for New York State Senator Alfonse D'Amato's re-election campaign, according to Gizella and other sources.

Teachers have called me in despair over what they see as Ed Fagan's disorganized approach to the case, and his demands, especially in his certification and his retainer agreement. We believe that there are justified reasons for several of the teachers who are plaintiffs in this case to file a lawsuit against the Department of Education in New York City, but we also know that the UFT is meeting with the NYC BOE to resolve many of the issues. We do not believe that Ed Fagan is the person who should bring these claims to Court.

Currently, Ed Ilves with his ex-wife Elizabeth Silver Fagan, who had left him to marry (in a civil ceremony) a woman named Margaret Rogers. Elizabeth Silver Fagan threw her girlfriend out, moved her ex-husband Ed back into the house, then sued Ms. Rogers on
