Dear Principal Gustafson,

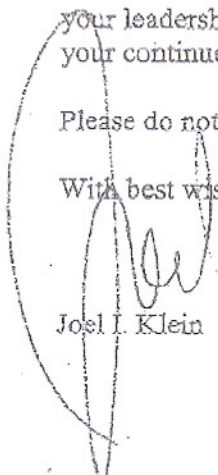

It was a pleasure visiting your school today. At GinGee Moy's retirement party, I could sense your and your teachers' enthusiasm for and commitment to your school and students. This morning's visit confirmed my initial impression. As you correctly noted in your email to me, P.S. 2 is headed in the right direction. The decorations filling each of your walls speak volumes about the thoughtfulness and energy with which your teachers approach their craft. So does the fact that your PTA president, Siufung Chin, was present in the school. I hope that the partnership between you, your staff and your parents can grow in trust and mutual support.

I appreciate the candor with which you spoke about your school, both its strengths and the areas you hope to improve. I am thrilled to hear that your LIS, Alice Young, has been invaluable to you. When we created this new structure, we hoped that it would benefit the principals and, through the principals, every student in the school. I am pleased to hear that your experience confirms our expectations.

Your children have shown steady improvement over the last years. I am confident that, under your leadership, your school and your children can do even better. I look forward to hearing of your continued improvement and success.

Please do not hesitate to be in touch with me if I can support your work in any way.

With best wishes and gratitude for your work,

Joel I. KleinC: Regional Superintendent Peter Heaney, Jr.
Local Instructional Superintendent Alice Young

To All Executive Board Members

PS 2 PTA

122 Henry Street

New York, NY

Dear Board Members:

At today's Executive Board Meeting, Jennifer Greenblatt, District 2 Parent Support Officer, and I requested that you provide us with the following documents:

- Bank statements and cancelled checks
- Minutes of executive board and general membership meetings
- The annual PTA budget

Only the bank statements and cancelled checks were provided and the treasurer had to return home to retrieve the latest statements, which is a violation of A-660, p. 19 Section j. Records. There were additional violations of A-660 in the following areas:

- No executive board or general membership minutes were available (p.7, Section e)
- No record of membership approving fund-raising activities or expenses (p. 23, Section J)
- No treasurer's report being provided at a general membership meeting (p. 25)

Since there were no minutes available, there is no evidence that the Parents' Association officers' election took place. Therefore, effective March 10, 2005, we are declaring that the Parents' Association of PS 2 has ceased to function and an expedited election must take place. Please note that my office will continue to monitor the activities of the association and if these infractions continue, additional correction action and/or interventions will be considered.

Sincerely,

Joann Makris
Supervisor, Parent Support

Dear Parents:

Please be advised that as of March 10, 2005, the Parents' Association of PS 2 has ceased to function because written minutes could not be provided to document the Executive Board election. This is a violation of A-660, the Chancellor's Regulation governing Parent Associations.

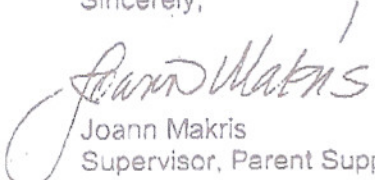

An election will be held at a special meeting, scheduled for March 29 at 8:30a.m. The only requirement is that the individual running must be the parent, legally appointed guardian or person in parental relation to a child registered at PS 2. This will be an expedited election and nominations will be taken from the floor for the positions of:

President
Co-President
Vice President
Secretary
Corresponding Secretary
Treasurer
Co-Treasurer

The Parents' Association of PS 2 has a strong tradition of helping all the children in the school. Help us continue this tradition by coming to the meeting to show your support and consider running for office. Please note that officers elected this spring may only serve through June 30th.

Any questions may be directed to my office or Jennifer Greenblatt, District 2 Parent Support Officer, 212-356-3789.

Sincerely,

Joann Makris
Supervisor, Parent Support
