Dear Ms. Gutierrez, Mr. Tand, Mr. Morelli, Ms. Combier, Mr. Carter, and Mr. Zumbolo:

...I want to add Ms. Blassman, Mr. Morelli, and Ms. Combier to my charges...PLEASE ADVISE, if I could add them or I have to see how to deal with them legally....they are all participated in the retaliation. Without a question, I have to address with federal judge because I will not have Morelli/Combier (Morelli blamed Blassman and Combier blamed Portelos) threatened me and then have Blassman lie about the motion for particularization. Either way, this helps the DOE to retaliate against me and helps the DOE.

Dear Ms. Gutierrez, Mr. Carter, Mr. Tand, Ms. Weingarten, Ms. Guerra and Mr. Zumbolo:

Last week, I spoke to Ms. Gutierrez about the fact that my former lawyer, Steven Morelli was arrested. Under pressure by the magistrate judge, I was forced to work with Mr. Tand. Mr. Tand is a former lawyer for Mr. Morelli and I do not trust Mr. Morelli because I caught (audio recorded) him in a few lies. In fact, I have Mr. Morelli admitting that the suspension of an internal grievance hearing is actionable under title 7 and it actionable against my employer BUT, it is NOT written anywhere in my complaint!

Attached are the items that Mr. Tand must include into my amended complaint. If Mr. Tand continues Mr. Morelli's legal malpractice, I will be forced to file against ALJ Angela Blassman of NYS PERB because Mr. Morelli delivered a message from the Dishonorable Blassman and I WILL NOT BE THREATENED BY A LOWLIFE that needs to be disbarred!!!! Nor, will I accept the ALJ's attempt to sabotage my lawsuit because she is a lowlife and my lawyer wants to commit legal malpractice. By May 12, I will know what I must do next in the process.

As I discussed with Ms. Gutierrez, I could send in the recordings but they must be accompanied by a transcript. I hope this will keep Dishonorable Blassman out of my business!

Ms. Gutierrez, I appreciate the information in this matter.

Thanks,
Lucio Celli
